Electronic Usage

Digital images may be used on web sites operated by current customers in accordance with the above guidelines. Images may be obtained from the Alumax web site or from our marketing team.

Other documents such as details, installation instructions and product catalogs may not be used on customers' web sites. However, web sites can include links to documents included on the Alumax web site.

High Resolution Images for Print

When used on printed materials, images must have a resolution of at least 300 dpi. A collection of high resolution images may be obtained from our web site in Dealer Services.

Logo Usage

Customers who wish to use the Alumax logo must obtain special permission from the Alumax marketing department. Customer usage of the Hydro logo is strictly prohibited.
