

## 640/650 SLIDER NOW IN MATTE BLACK!

The Alumax 640/650 is a top choice for today's value-conscious consumer. This framed slider preserves floor space while providing ample access to the tub or shower. Its classic design is right at home in either the secondary bath or master suite.

- Adjustable sealed heavy duty ball bearing rollers.
- Safety tee-lock wall jamb to header connection.
- Molded jamb bumpers with concealed fasteners.
- Molded nylon panel guide to prevent the accidental dislodging of interior panel.
